Come the Complainant, the Kentucky Office of Mine Safety & Licensing ("OMSL"), and the Respondent, Harvey Rainwater ("Rainwater"), and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him,¹ and the cancellation of the hearing that is currently scheduled for March 10, 2005, Rainwater hereby admits that he had smoking articles in his possession underground on October 28, 2004, at Goodin Creek Mining's No. 2 mine, in violation of KRS 352.170 (3), as alleged in OMSL's Complaint. Therefore, Rainwater hereby agrees to the following:

1. The **PROBATION OF HIS SHOT FIRER AND DRILL OPERATOR'S CERTIFICATE (# LO-036-88) AND HIS UNDERGROUND MINER'S CERTIFICATE (# _____, EACH FOR A PERIOD OF ONE (1) YEAR**, effective upon the signing of

The willful violation by Rainwater of any of said laws or regulations may result in OMSL filing a motion with the Mine Safety Review Commission to revoke his shot firer and drill operator's certificate and his underground miner's certificate for the remainder of the probationary period.²

3. Within 45 days of the effective date of this Settlement Agreement, Rainwater must take **EIGHT(8) HOURS OF SPECIAL SAFETY TRAINING** from OMSL at its Barbourville District office.³

Rainwater further agrees that this Settlement Agreement and any final order issued herein by the Mine Safety Review Commission will be considered by the Commission to constitute a "first offense", as that term is defined at 805 KAR 8:010, Section 1 (5); and that any future adjudication against him by the Commission - regarding a separate alleged offense - will be deemed a "subsequent offense" as defined at 805 KAR 8:010, Section 1 (13).

Rainwater understands and agrees that he has had the opportunity to retain an attorney to represent him in this matter, but that he has chosen to represent himself. Rainwater further states that he has carefully read this Settlement Agreement (or that the Settlement Agreement has been read to him), that he has carefully considered the Agreement prior to signing it, and that he

² If the circumstances warranted, OMSL would also retain the right to file a separate action with the Commission seeking other penalties against Rainwater for his actions. In either event, Rainwater would have the right to a hearing before the Commission on the allegations against him.

³ Said special safety training is in addition to any annual refresher training or other safety training that Rainwater is legally required to take.

understands and agrees to its terms and provisions.

OMSL and Rainwater acknowledge and agree that there are no other promises, inducements, representations, or agreements in connection with this Settlement Agreement other than those expressly set forth in writing herein.
